Earth-Body Medicine: Our Vital Connection to the Healing Earth and High-level Wellness Workshop featured at Holistic Nurses Conference

The American Holistic Nurses Association will be hosting a presentation entitled “Earth-Body Medicine: Our Vital Connection to the Healing Earth in maintaining Groundedness and High-level Wellness,” on Friday June 12, 2015 from 8 am to 11:45 am in Branson, Missouri at its 35th annual conference. The educational workshop and lecture is aimed at exploring our integral connection to the healing earth and the wellness it can provide to us. The presentation will also discuss ways to prevent inflammation and aromatherapy practices to support tranquility by using resources like clay, minerals, and essential oils provided by the earth to detoxify the body and increase life force.

The workshop speaker for the event is the esteemed author and internationally certified clinical aroma therapist, Valerie Cooksley, RN, OCN, FAAIM, CERT. She has authored eight books on the subject of aromatherapy and natural healing and has been featured in numerous natural health publications. As part of her decades of holistic healthcare experience, she has also instructed for both the American Red Cross and the American Cancer Society. In addition, she is certified in emergency response and triage in catastrophic disasters in her role as a FEMA Community Emergency Response Team Member for the greater Houston area.

Cooksley’s presentation is a half-day Friday, June 12th (E03), pre-conference workshop offered for 3.5 contact nursing education hours at a price of $140.00. It will be held at the Chateau on the Lake Resort Spa and Convention Center in Branson.
