About AHNA

The American Holistic Nurses Association (AHNA) is a non-profit specialty nursing professional membership organization that serves as the definitive voice for registered nurses who practice holistic nursing.

Founded in 1981, AHNA’s primary mission is to advance holistic nursing through Practice, Community building, Advocacy, Research and Education. The association is dedicated to the continued development of evidence-based holistic research, self-care methods for nurses and non-pharmalogical pain management. AHNA offers networking opportunities to its members along with continuing nursing education through webinars, self-study programs, publications, conferences, and scholarship and grant opportunities.

AHNA currently services more than 5,000 members through 146 local chapters in the U.S. and abroad. Holistic nursing is recognized by the American Nurses Association as an official nursing specialty with both a defined scope and standards of practice.

Provider approved by the California Board of Registered Nursing, Provider # 10442.
