Transformational Leadership: A Model for Advanced Practice Holistic Nurses

Author(s): Ruth McCaffrey, DNP, FNP-BC, FAAN, FAANP, and Humberto Reinoso, PhD, FNP-BC, ENP-BC

Overview
The purpose of this activity is to enable the learner to acquire an awareness of the need for Advanced Practice Holistic Nurses (APHN) to develop and promulgate a model of leadership. This study uses Transformational leadership as the framework employed by these authors to motivate, stimulate and inspire others to create an opportunity for to convey the fundamental nature of holism to the forefront of health care. These authors incorporated methods that can enhance positive communication, create opportunities for negotiation and conflict resolution as well as inspire others. This article addresses creation of a framework could be employed to develop and implement transformational leadership among APHNs.

Learner Outcomes:
At the conclusion of this activity, learners will be able to:
1. Explain the effects of transformational leadership centered motivating and inspiring change.
