FOR IMMEDIATE RELEASE

American Holistic Nurses Association Recognizes Andria Entrekin RN, BSN, ND, as the Holistic Nursing Rising Star

Andria Entrekin RN, BSN, ND, of Purvis, Mississippi was awarded the 2018 Holistic Nursing Rising Star Award at the AHNA 38th Annual Conference in Niagara Falls, New York, June 5-10, 2018. This award recognizes a new nurse who dedicates themselves to a holistic path, applies creative holistic practices and epitomizes holism in their personal and professional life.

About Andria

Andria Entrekin RN, BSN, ND, of Purvis, Mississippi, is an Advanced Holistic Nursing student through Florida Atlantic University, an adjunct practical nurse faculty at Pearl River Community College, and an AHNA Co-Chapter Leader. In her faculty work, Andria is educating students in holistic nursing concepts and healing modalities and inviting them to participate in a holistic nursing chapter. After suffering burnout in her professional career, Andria went through a self-re-evaluation. This journey, with its twists and turns, led her to pursue a specialty in holistic nursing. This journey also led her to AHNA, where she found her niche.

About AHNA

The American Holistic Nurses Association (AHNA) is a non-profit specialty nursing professional membership organization that serves as the definitive voice for registered nurses who practice holistic nursing.

Founded in 1981, AHNA’s primary mission is to advance holistic nursing through Practice, Community building, Advocacy, Research and Education. The association is dedicated to the continued development of evidence-based holistic research, self-care methods for nurses and non-pharmacological pain management. AHNA offers networking opportunities to its members along with continuing nursing education through webinars, self-study programs, publications, conferences, and scholarship and grant opportunities.

AHNA currently services more than 5,000 members through 146 local chapters in the U.S. and abroad. Holistic nursing is recognized by the American Nurses Association as an official nursing specialty with both a defined scope and standards of practice.
