About AHNA

At its founding in 1981, the American Holistic Nurses Association (AHNA) adopted as its primary mission, the advancement of holistic healthcare by increasing awareness and promoting education, as well as personal community-building among nurses, other healthcare professionals and the public. This nonprofit professional membership organization is the definitive voice for holistic nursing for registered nurses and other holistic healthcare professionals around the world. Holistic nursing focuses on integrating traditional, complementary and alternative treatment opportunities to improve the mind body and spiritual health of the whole person.

AHNA delivers valuable resources, improves educational tools, and offers superior networking opportunities to a vibrant and expanding universe of holistic healthcare professionals. AHNA currently services more than 5,500 members through 166 local chapters/networks in the U.S. and abroad. Holistic nursing is recognized by the American Nurses Association as an official nursing specialty with both a defined scope and standards of practice.
