ATTENTION: AHNA Cancelling 2020 Annual Conference Scheduled for June 1-7th in Albuquerque, NM

We will be offering a refund for all attendees and exhibitors refunds will be paid, minus advertising that has been provided pursuant to the Exhibitor Contract. Refunds will be provided on or before May 1, 2020 and all registrants and exhibitors will receive a detailed message about the logistics of these refunds. Please look for an email with this detailed information.

From the AHNA Board of Directors

We are extremely disappointed about not being able to celebrate the AHNA 40th Anniversary and the 2020 Year of the Nurse all together at the annual Conference: Weaving Traditions to Create Solutions and Find Balance. Recognizing the importance of nurses all year long, we were so excited about being able to share this important anniversary.

COVID-19 will not overshadow the fact nurses are called to care for others, and often put their own needs last. This pandemic only brings more awareness to the importance of self-care

The cancellation of the AHNA Annual Conference creates a huge void in terms of holistic nursing educational opportunities for 2020, and we are very appreciative of the effort the Conference Planning Committee and speakers put forth to create wonderful and up-to-date content to share. It is our hope that rather than it be seen as a setback for those who took time to create these opportunities, they will hold on to the work for a safer, more opportune time to share it.

We are additionally saddened at the cancellation of the Puppy Bonding and Charlotte McGuire Holistic Nursing Endowment Fundraising Event at the conference to honor our Founder, both would have contributed funds towards increasing the endowment corpus that bears her name.

To you our loyal members, we want to assure you AHNA’s financial status is stable. AHNA will be able to continue programmatic activities, despite the projected expenditure losses from convention planning and non-refundable deposits, the projected net revenue loss and other related commitments for this event.

We thank you all for your understanding and continued commitment to AHNA.

Your AHNA Board of Directors
