FOR IMMEDIATE RELEASE:

AHNA Announces New Endorsed Online Program: Integrative Nurse Coach Foundations

AHNA now endorses the Integrative Nurse Coach Foundations online course offered by the Integrative Nurse Coach Academy | International Nurse Coach Association (INCA). This Nurse Coach training course is 36 CNE and includes video recorded lectures, role play demonstrations, peer-to-peer practice experiential sessions, and live web conference discussions with board-certified Nurse Coach experts. This facilitates a competency of communication skills that influence lifestyle behavioral change in clients. Self-Care of the nurse is a prominent theme.

The program teaches the skills and roles of nurse coaches with a special emphasis on self-development, communication, theory, and research. Influences on health and lifestyle change, coaching interventions, and self-care practices enhances the development of a holistic perspective in nurse coach practice. This program is designed for those who wish to incorporate a holistic framework to deliver integrative therapies, work with clients in health promotion, and envision new nursing practice opportunities for self. A vast network of support is available among the Nurse Coach community. The outcome is a lifelong transformation of the nurse in both professional and personal life. About AHNA Endorsed Programs

The purpose of Endorsement by the American Holistic Nurses Association (AHNA) is to support continuing nursing education (CNE) programs that present content congruent with the mission, vision, and purpose of AHNA, and with the Scope and Standards of Holistic Nursing Practice, and the state of the science/practice for holistic nursing. AHNA wishes to encourage this growth, through advertising and promotion of programs exploring the integration of holistic principles, practices and modalities into the practice of nursing and to recognize those programs, which upon completion, will improve the quality of healing care nurses can provide.

Programs are only endorsed by AHNA after a rigorous peer-review process, and approval of the AHNA Board of Directors.
